

# Arrival Procedures

- **Students Eating Breakfast**

Breakfast starts at 8:30 a.m.

There is a sign at Door 1 that indicates when students can begin entering the building for breakfast.

- **Students NOT Eating Breakfast**

Students not eating breakfast can arrive at school between 8:45-9:00.

Students will meet a supervisor in the following area to wait for the bell to enter the building. There is NO supervision at these locations before 8:45.

Kindergarten-Sidewalk by Door 4

1st Grade-Concrete Slab by Door 5

2nd Grade-Sidewalk by Door 1

Grades 3-5 will enter Door 15 and will walk to the gym.

If there is inclement weather, supervisors will walk students inside using the same doors listed above.

For the safety of students and families, please do not park in the staff parking lots.

# Dismissal Procedures

Students dismiss with their homeroom teacher at 3:38 using the following doors.

- Kindergarten-Door 4
- 1st Grade-Door 5
- 23 Front Door
- 4th Grade-Door 10
- 5th Grade-Bohling & Irwin-Door 10
- 5th Grade-Stithem-Door 12

For the safety of students and families, please do not park in the staff parking lots.

Dismissal is a busy time. Please work with your child to designate a consistent meeting spot, avoiding the staff parking lots.

The west cutout is used for Daycare Vans and Buses. Please avoid parking in the west cutout.

## New Crosswalk on Sumner Street

## Morley's Traffic Pattern

### One-Way Traffic Pattern for drop-off and pick-up of students at Morley School

1. Traffic will flow one way (from east to west) in front of the school, turning south at Pacific Street. Only DAYCARE CARE VANS and LPS BUSES will utilize the area on the north side of Monterey Drive between Pacific Street and E. Bermuda Drive.
2. Please use both cut-outs on the north side of Monterey to drop off and/or pick up students. Do not let students get out/in the car in the street.
3. There will be NO loading or unloading on the south side of Monterey Drive in front of the school. This is a "NO PARKING" area.
4. Utilize alternate areas for pick-up/drop-off such as Sumner Street, East Bermuda Drive, the east side of 70th Street, etc. Establish a spot where your child can walk to you instead of you driving to your child.
5. Remember that there are staff members outside to help your child cross Monterey Drive and also 70th Street at arrival and dismissal times. Also, as students are dismissed in the afternoon, a staff member supervises the Monterey & E. Bermuda crosswalk. Supervision is provided when crossing streets and should give parents more confidence regarding their child's safety.

- 6. Carpooling with other families reduces the number of cars at arrival and dismissal times. **WE ENCOURAGE CARPOOLING!**
- 7. Please do not drop off and/or pick up students in the staff parking lots which also include handicap parking spots. Only families with special permission from the principal may use the staff parking lots.

## Traffic Plan
